

# Devon Land Tax Records 1780–1832

## Acknowledgements

AIGS thanks the following people who have helped with the data entry and development phases of this project, both in its first appearance in 42 parish booklets, and now in its new and expanded appearance with 108 parishes on CD. They worked tirelessly over more than a decade, planning, transcribing, checking, photocopying, double checking and contributed countless hours of their own time. Without their help the project would never have been possible.
