

The Early Electoral Rolls of Australia database contains the enrolment details for approximately 1,800,000 electors, from a selection of Australian electoral rolls printed between 1901 and 1909. The rolls covered are Western Australia 1901, New South Wales 1903, Tasmania 1903, Victoria 1903, Queensland 1903 and South Australia 1909.

This publication is a re-release of the material previously published by the Australian Institute of Genealogical Studies Inc. in two parts, titled Early Australian Electoral Rolls.
